Shipping and Delivery Policy

Last updated: 10th November 2026

At Crafty Keepsakes, we understand how important it is for your wedding stationery to arrive safely and on time for your special day. Each order is prepared with care, and we aim to make the ordering, production and delivery process as smooth as possible.

1. **Processing and Production Times**

All orders are carefully prepared and processed once your order details and any required design proofs have been approved.

As wedding stationery may be personalised or made to order, production times can vary depending on the products ordered, the complexity of the design and the time of year.

Our estimated production times are:

- Personalised Stationery-
- Bespoke or Custom Stationery-
- Orders requiring additional amendments - production times may take longer depending on the changes requested.

Production times are estimates and do not include delivery times unless explicitly stated. We will contact you if we anticipate a significant delay with your order.

2. Proof Approval

Where applicable, a digital proof will be provided for your approval before your stationery is printed or produced.

It is your responsibility to carefully check all details, including:

- Names and Spelling
- Wedding date and Venue Details
- Guest Names and Table Arrangements
- Wording, Production and Layout
- Colours and Design Choices, Where applicable.

Production will begin once the required proof approval has been received.

Delays in approving proofs or supplying the necessary information may affect your estimated dispatch date.

We cannot guarantee delivery by a requested date if approval or information is delayed.

Once a proof has been approved, changes may incur additional charges or require a new production run.

3. **Delivery Options and Charges**

We offer delivery to addresses within the UK only.

Available delivery methods and charges will be displayed at checkout or confirmed before your order is finalised.

Our delivery options may include:

- Standard Delivery Royal Mail
- Tracked 24 Delivery Royal Mail
- Tracked 48 Delivery Royal Mail
- Tracked Courier Delivery

Delivery charges may vary depending on the size, weight, destination and delivery method selected.

Any applicable delivery charges will be communicated before you complete your purchase.

4. Estimated Delivery Times

Delivery times begin once your order has been completed and dispatched, unless otherwise stated.

The time frames are estimated and are NOT guaranteed unless we have expressly agreed to a guaranteed delivery date.

Delivery may occasionally be affected by circumstances outside our control, including courier delays, adverse weather, seasonal demand, postal disruptions.

5. **Wedding Dates and Time Sensitive Orders**

We understand that wedding stationery is often required by a specific date.

Please allow sufficient time for design, proof approval, production and delivery when placing your order.

If you have a specific wedding date or stationery deadline, please contact us before ordering so we can advise whether your requested timeframe is achievable. Although we will make reasonable efforts to meet agreed delivery dates, we cannot guarantee a particular arrival date unless this has been expressly confirmed. Please do not leave ordering until the last minute as bespoke stationery may take longer.

6. **Personalised and Made to Order Products**

Many of our products are personalised or made specifically for your order.

Please ensure all personalisation details are accurate before approving your proof.

Once personalised stationery has entered production, changes, cancellations or replacements may not be possible without additional costs, subject to your statutory rights.

If your order arrives damaged, contains a production error or does not match the agreed specifications, please contact us at craftykeepsakesprints@gmail.com so that we can investigate and discuss an appropriate resolution.

7. **Shipping Addresses**

Please ensure your delivery address is complete and accurate when placing your order.

We cannot be responsible for delays or failed deliveries caused by an incorrect or incomplete address supplied by the customer, although will make reasonable efforts to help resolve any resulting issues.

If you need to change your delivery address please contact us as soon as possible. We cannot guarantee that changes can be made once an order has been dispatched.

8. Tracking and Dispatch Notifications

Where tracking is available, we will provide tracking information or a dispatch notification once your order has been sent.

Please use the tracking information provided to monitor the progress of your delivery.

Tracking availability may depend on the delivery service selected.

9. Delayed, Lost or Missing Parcels

If your order has not arrived within the estimated delivery timeframe, please contact us at craftykeepsakesprints@gmail.com.

We will review the available tracking information and contact the delivery provider where appropriate.

If a parcel appears to be lost, we will investigate and work towards an appropriate resolution in accordance with our legal obligations.

Please contact us promptly if you believe your parcel is missing.

10. Damaged or Incorrect Orders

We take care to package your stationery securely before dispatch.

If your order arrived damaged, is incomplete or does not match the agreed order details, please contact us at craftykeepsakesprints@gmail.com, ideally within 48 hours of delivery, and provide photographs where possible.

This helps us investigate and resolve the issue quickly. However, contacting us after this period will not automatically remove any rights you have under applicable consumer law.

Where a problem is our responsibility, we will discuss an appropriate remedy, which may include a replacement, correction or refund, depending on the circumstances and legal rights.

11. Delivery Responsibility

We will take reasonable care to ensure your order is properly packaged and dispatched using the agreed delivery method.

Where you are a consumer, your statutory delivery rights apply. In general, we remain responsible for the goods until they come into your physical possession or the possession of someone you have identified to receive them, subject to applicable law.

If you request a delivery method or courier outside the options we offer, please contact us before placing your order so we can discuss the arrangements.
